AGOSTINO TRAINI ATELIER

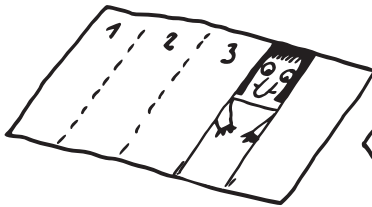

opera data in licenza CC BY NC ND

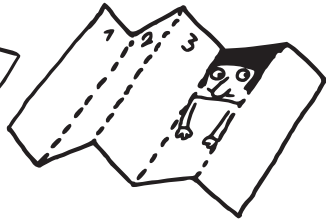

si può condividere citando la fonte, non si può modificare né commerciare

stampa

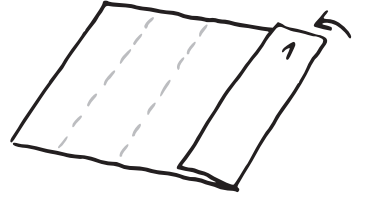

crea le quattro linee di piega

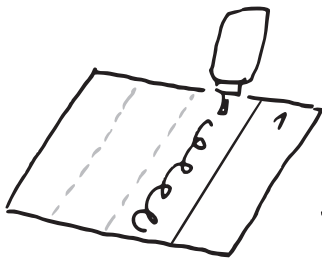

gira il foglio e incolla il retro di 1

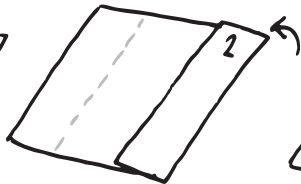

e piega

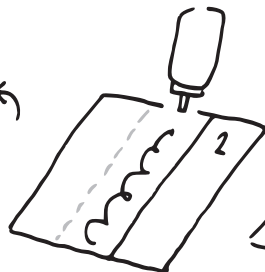

incolla il retro di 2

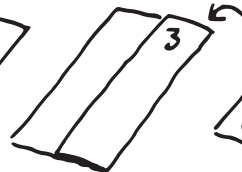

e piega

incolla il retro di 3

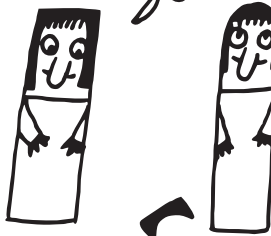

e piega

e così sino alla fine

ora un'aggiustatina alla chioma

quando la colla si sarà asciugata il segnalibro sarà molto robusto e pronto a fare il suo lavoro!
